Caption:

(FILES) Chadian soldiers ride on armoured vehicles 06 December 2007, south of the Kapka mountain range in the east of the country near the border with Sudan's troubled Darfur region. Tense relations between Sudan and Chad are being pushed toward open conflict with each side accusing the other of seeking to destabilise their already fragile common border region. Sudan said 06 January 2008 it was ready for any Chadian attack the day after Chadian President Idriss Deby Itno said his forces would pursue rebels into Sudan's Darfur, which neighbours Chad, if necessary.
