

# Internships at GRIP – Conditions

---

The Group for Research and Information on Security and Peace (GRIP) is an independent research centre. Its team is composed of 20 permanent staff member (researchers and supervisory staff). It provides an opportunity to gain a better understanding of GRIP's work and contribute to its mission. Interns are not paid and the duration of their internship varies. Each intern has a training supervisor and can enjoy GRIP's entire infrastructure.

## REQUIREMENTS

In return for the vocational training he will get, the intern will be asked to help GRIP in its activities and to provide a specific work.

The intern:

- Is completing higher education (university or equivalent) for the research applicants and at least in 2<sup>nd</sup> year of university for the library and information sciences applicants / PR and publishing applicants.
- Has already a Master's degree but wants to gain work experience and hands-on training.

A good knowledge of both English and French and computer skills (word processing, spreadsheet programme and the Internet) are required. Knowledge of another language would be an asset. The intern must adhere to GRIP guidelines (see [www.grip.org](http://www.grip.org) "About GRIP").

## DUTY - RESEARCH

Information retrieval and research in one of the following field:

- Arms transfers and SALW control
- Conflicts prevention and management in Africa
- Economy of armament (military expenditures, industrial and technological dimensions)
- International and regional defence / security organisations (UN, OSCE, NATO, EU, ECOWAS, ECCAS, AU etc.)
- EU and its State members security and defence policy.

## APPLICATION

- Send a statement of purpose with curriculum vitae ([Europass](http://europa.eu)). Please specify dates regarding your availability. You may also provide a recent research work (article, graduation essay etc.). Send your application to Denys DETANDT via postal services or e-mail.

GRIP (Demande de stage)
